We are a small home based cattery of Devon Rex, we are CFA, and TICA registered, We have been showing and breeding top winning Devon Rex and ASH successfully for a few years. We occasionally have pet kittens available to qualified homes, vet checked, vaccinated, and de wormed, we do not let kittens leave until approx 16 weeks of age.

Our kittens are raised in a home environment, and around dogs., and handled daily.

We do not ship and require a visit to our home in most circumstances. Occasionally kitten delivery can be arranged by private personal courier or we can make arrangements with you to pick up your new baby at the airport,. We are located in NY about 1 hour north of Manhattan.
