Please tell us a little more about your cats or your breeding practices. For example, are you interested in offering breeding/showing mentorship? What colors do you work with? This information will be placed on your breeder profile page.

We are a small cattery with our devons raised in our home. Healthy happy and well socialized. We breed for quality not quantity. They are family born and raised. Our devons come in many colours and patterns. We offer pet and show quality kittens and young retired aduts.
