**Cattery Name**

Loriendale Devons

**Do you show your cats? At what shows (for example, CFA, TICA, FIFe)?**

We show our cats with New Zealand Cat Fancy Inc. I am a registered All Breeds judge with this organisation and judge internationally.

Our cats are consistently amongst the top show cats here in New Zealand and have had the top placings of Devons overall for the last decade here in New Zealand.

**What age do you release a kitten to a new owner?**

14 -15 weeks for Neuter / Spays Breeding cats leave around 10 weeks when fully vaccinated

**What is your Spay/neuter policy? Planet Devon recommends desexing before releasing a kitten to its new owner. Please provide your reasoning if that is not your policy.**

Kittens are desexed early, before leaving

**Microchipping offered?**

yes

**Declawing policy (describe)**

Never ever ever

**What is your immunization schedule for kittens?**

Presently Felovac 3

**Do you offer a contract or health guarantee to a buyer?**

no

**Please describe your shipping policy and practice.**

In New Zealand we must use an international exporter to facilitate laws around the exporting of cats. New Zealand is a Rabies free environment.

<https://www.mpi.govt.nz/importing/live-animals/pets/>

**Do you offer assistance with return, rescue or re-homing of your own cats?**

yes

**Do you have a written application for a potential buyer?**

yes

**Please tell us a little more about your cats or your breeding practices. For example, are you interested in offering breeding/showing mentorship? What colors do you work with? This information will be placed on your breeder profile page.**

I have conducted an Approved Outcross Plan (NZCF sanctioned ) using Abyssinians/ Somali to bring into the gene pool the cinnamon gene and add to gene diversity. Generation 2 have won BIS under many international judges. DNA testing to remove the longhaired gene which occurred at generation 3. Now working around Gen6. Burmese are an "allowable Outcross here in NZ and are looking to introduce the new Russet colour gene soon.

As an international judge I have the opportunity to view a large number of Devons through shows or visiting breeders.

I offer mentoring to new breeders and also network with other breeders both here and in Australia.

We also have an open policy with our vets for kitten owners.

Cattery visits are open to all kitten adoptees.

Facebook (Loriendaledavons) provides excellent communications with kitten owners and fellow breeders.
