Please tell us a little more about your cats or your breeding practices. For example, are you interested in offering breeding/showing mentorship? What colors do you work with? This information will be placed on your breeder profile page.

We are a small operation so only have 4 to 8 kittens a year. We are always willing to help anyone out that may need assistance. We work with tortie, tortie points, flame points, calico, tabbies, and we even had a seal point, patched tabbie and white, mink.
