Do you show your cats? At what shows (for example, CFA, TICA, FIFe)?

CFA, TICA

Please describe your experience with breeding cats.

Passionada Cattery strives to raise kittens that are happy, healthy, friendly, and well socialized. Our kittens are known for having the best temperament, being exceptionally loving and docile, all raised in a very nurturing and caring home environment. The health of our kittens is imperative, receiving the best diet and veterinarian care. We strive to breed the very best of the best, when absolute quality is what matters most. All kittens are ready to go to their new homes between 12 and 16 weeks of age.

Breeding cats are screened for the following:

- HCM annually
- FeLV
- FIV

Are test results provided to buyers?

Yes

What age do you release a kitten to a new owner?

12-16 weeks

What is your Spay/neuter policy? Planet Devon recommends desexing before releasing a kitten to its new owner. Please provide your reasoning if that is not your policy.

The kitten will be spayed or neutered before leaving

Microchipping offered?

No

Declawing policy (describe)

Absolutely not allowed

What is your refund policy?

Will be discussed per individual case

Do you offer a contract or health guarantee to a buyer?

Yes, contract and health guarantee

Please describe your shipping policy and practice.

Kittens needs to be picked up

Do you offer assistance with return, rescue or re-homing of your own cats?

Yes

Please tell us a little more about your cats or your breeding practices. For example, are you interested in offering breeding/showing mentorship? What colors do you work with? This information will be placed on your breeder profile page.
