No I do not.

Please describe your experience with breeding cats.

FluffyFiends is a small home-based cattery in metropolitan Atlanta, Georgia. We breed Devon Rex cats as family members (pets). Our cats are well socialized, they are excellent companions and enjoy the company of their human family as well as dogs and cats. All of my kittens are showered with love and attention from day one. We spoil our DRs giving them plenty of hugs, kisses and affection.

Breeding cats are screened for the following:

- HCM bi-annually

A ONE YEAR CONGENITAL WRITTEN HEALTH GUARANTEE is provided for each kitten. THIS HEALTH GUARANTEE WILL BE VOIDED IF THE KITTEN IS ALLOWED TO GO OUTSIDE, OR IF THE KITTEN IS DECLAWED, OR THE KITTEN IS NOT SPAYED OR NEUTERED WITHIN THE REQUIRED TIME FRAME.

If, during the guarantee period, the kitten has died from a health issue prior to the sale, and IF IT IS DETERMINED TO BE WARRANTED (proof from the vet and necropsy) the breeder shall refund the purchase price or offer another kitten if available.
