**Cattery Name**

Family Devons

**Do you show your cats? At what shows (for example, CFA, TICA, FIFe)?**

I do not show at this time. I purchase my breeders from catteries that show and have champion bloodlines. We have 5 small children and not time for shows.

**Breeding cats are screened for the following:**

- FeLV
- FIV

**What age do you release a kitten to a new owner?**

16 weeks

**What is your Spay/neuter policy? Planet Devon recommends desexing before releasing a kitten to its new owner. Please provide your reasoning if that is not your policy.**

We prefer spay or neuter at 6 months with a spay agreement but we will spay or neuter after 4 months with recovery here.

**Microchipping offered?**

yes

**Declawing policy (describe)**

We will not sell a Devon Rex to anyone planning to declaw

**What is your immunization schedule for kittens?**

We immunize at 8-12-16 weeks

**Do you offer a contract or health guarantee to a buyer?**

yes

**Do you offer assistance with return, rescue or re-homing of your own cats?**

yes

**Do you have a written application for a potential buyer?**

yes

**Please tell us a little more about your cats or your breeding practices. For example, are you interested in offering breeding/showing mentorship? What colors do you work with? This information will be placed on your breeder profile page.**

We work with all colors and produce many calico and tortoiseshell. We currently have blues, creams and bicolor.
