Do you show your cats? At what shows (for example, CFA, TICA, FIFe)?

All kittens are placed spayed/neutered, micro-chipped and vaccinated. Placement cost is 750 dollars. Please use my email addy if you are interested in a kitten or retired cat. My email address is egnelson21@gmail.com

What age do you release a kitten to a new owner?

Kittens are released around 4 months after they have been spayed or neutered

What is your Spay/neuter policy? Planet Devon recommends desexing before releasing a kitten to its new owner. Please provide your reasoning if that is not your policy.

Kittens are spayed/neuter prior to leaving for new home.

Microchipping offered?

yes

Do you offer a contract or health guarantee to a buyer?

yes

Please tell us a little more about your cats or your breeding practices. For example, are you interested in offering breeding/showing mentorship? What colors do you work with? This information will be placed on your breeder profile page.

Breeding for healthy and type. Not all kittens are show quality but all have loving and outgoing personalities.
